Dear Sir::

Your letter of April 7, 1959 addressed to the U.S. Central Intelligence Agency has been referred to this office.

The periodical article "Industrial hygiene during the systematic use of organophosphorus insecticides" by Yu. S. Kagan and others has not been translated so far as we can determine.

A translation of the article "Some problems of industrial hygiene in work with high-frequency currents, by G.L. Khazan and others, listed as item 67 in the July 25, 1958 issue of Scientific Information Report, is available from this office as 59-11443 at 50 cents per copy. Prepayment is required.

If we can be of further assistance to you, please let us know.

Very truly yours,

Joseph F. Caponio
Chief, Reference Branch
Technical Information Division
